Accessory packs

Toyota chrome and life accessory packs make it easy to tailor your car for style and practicality. Whichever Avensis model you drive, every item in each pack has been co-ordinated to ensure convenience and value while adding an extra dimension of individuality.

Rear chrome garnish (Sedan)

A sophisticated touch of chrome to highlight the rear of your car.

Chrome pack

Style is subtle, yet dynamic. It's about adding to something already beautiful and making it truly extraordinary. That's what the chrome pack will do for your Avensis.

Front grille contour (Sedan)

Beautifully crafted to complement the distinctive Avensis grille.

Front grille contour (Wagon)

Chrome side sills (Sedan)
Shaped to integrate with and emphasise your car's side contours.

Rear chrome garnish (Wagon)

Chrome side sills (Wagon)

Rear parking aid kit

Bumper protection plate

Parking aid kit

Ultrasonic system that makes parking your Avensis even easier.

Life pack

With accessories including an ultrasonic parking aid, trunk liner and bumper protection plate, the Toyota life pack further enhances the practicality of your Avensis.

Parking aid kit

Coloured sensors to match your car's bodywork.

Bumper protection plate

Guards the paintwork when loading and unloading the trunk.

Trunk liner

Tough black rubber with a non-slip surface and raised edges.

Cargo manager

Increases the load carrying versatility of the Avenis Wagon.

Individually yours

With Toyota exterior accessories you can personalise your Avensis to ideally complement life's priorities. There are alloy wheels, chrome touches and sporty aerodynamics to customise the styling. Plus there's added protection, a roof rack and all sorts of carrying attachments for enjoying those big adventures.

Avensis is all about individuality. Toyota accessories make it even more so.

Personality

Alloy wheels are perfect for expressing your personality. Toyota gives you a great range to choose from. Each wheel is custom designed for the Avensis and precision engineered to optimise balance, low weight and high strength.

Pitlane II Anthracite 17"

Pitlane II Anthracite machined 17"

Adeona 17"

Levana 16"

Pitlane 18"

Podium II Anthracite 16" and 17"

Podium II Anthracite machined 16" and 17"

Herana 16"

Podium Anthracite machined 18"

Podium silver 18"

Wheel locks

Featuring a rounded profile and coded key to help protect your alloys.

Winter rim wheels

High strength wheels especially for use with winter tyres.

Style

True style is in the detail. It's about choice and individual taste. Toyota chrome accessories add highlights to the front, side and rear of your Avensis and so enhance the already sophisticated appearance.

Front grille contour
Complements the assertive look of the bumper grille.

Chrome side sills

Shaped to integrate with and emphasise your car's side contours.

Rear bumper strip (Sedan)

Co-ordinates seamlessly with the bumper's subtle curves.

Rear chrome garnish

A tasteful touch of chrome to highlight the rear of your car.

Exhaust pipe finisher

The ultimate detail for a look of pure style.

Aerodynamic

Assured and athletic. Toyota body styling accessories give your Avensis an exciting extra dimension of sports personality. Individually or all together, the spoiler, side skirts and rear skirt accentuate the look of aerodynamic precision.

A close-up, high-angle photograph of the rear of a dark blue Toyota Avensis. The focus is on the rear spoiler, which is a sleek, aerodynamic design that blends with the car's roofline. A black antenna is mounted on the roof just behind the spoiler. The lighting is dramatic, highlighting the smooth curves and metallic finish of the car's body panels.

Rear spoiler (Wagon)
Continues the smooth streamlined design of the Wagon's roof.

Side skirts

Designed to give your car a sporty, low profile appearance.

Rear skirt (Wagon)

Fits neatly around the exhaust to reduce the road to car height.

Rear spoiler (Sedan)

Adds emphasis to the Sedan's clean aerodynamic contours.

Protective

In a busy world of crowded roads it can be reassuring to have that extra layer of protection provided by Toyota accessories. Each item in the range is designed to help keep your Avensis in pristine condition.

Rear bumper plate (black)

Strong bumper protection with a stylish matt black finish.

Rear bumper plate (steel)

Great looking stainless steel for ultra-tough bumper protection.

Rear bumper plate (brushed steel)

The brushed steel finish disguises scratches and marks.

Rear bumper film

Self-adhesive transparent film to protect the bumper paintwork.

Wind deflectors

Shaped to reduce wind noise and turbulence when driving with open windows.

Side mouldings

Protection against minor side panel damage. In black, or coloured to match your car.

Mud flaps

Shaped to fit your car's wheel arches. Available for the front and rear.

Corner protectors

For the front and rear bumpers. In black, or coloured to match your car.

Adventurous

The Toyota roof rack adds freedom to explore life's potential. Its lightweight, high strength structure provides a perfect base for combining with your choice from the wide range of optional Toyota carrying attachments.

Fixing straps

Ultra-tough strapping with a torsion adjuster for securing awkward loads onto the roof rack.

Luggage box

A lockable aerodynamic design with a big carrying capacity and passenger side opening.

Ski box (standard)

The easy way to carry all your ski accessories. Lockable and with passenger side opening.

Ski box (luxury)

A stylish luxury finish inside and out. With security locking and passenger side opening.

Luxury ski holder

Cleverly designed so that the lockable holder can be slid to the side of the car for easy loading and unloading. Suitable for skis and or snowboards.

Surfboard and mast holder

Securely holds a full-size surfboard or a wind-surfboard and mast.

Ski holder

Lockable aluminium design for carrying skis, snowboards or a combination of both.

Retractable towing hitch (Wagon)

The hook conveniently folds away behind the bumper when not required for towing.

Towing hitches

The Avensis is famous for its strength and stability. That's a perfect combination for fitting a Toyota towing hitch and increasing your load capacity. You can use a towing hitch for installing a rear bicycle holder, or how about to tow a trailer, small caravan or boat? So much flexibility, so many options!

Each Toyota towing hitch gives you a capacity of between 1400 kg and 1800 kg (depending on your car's engine type).

To complement your Toyota towing hitch, the Toyota wiring kit ensures perfect integration of the lights on your trailer or rear bicycle holder with those of your car. It is available in 7 pole and 13 pole versions.

Detachable towing hitch (horizontal)

Designed with a detachable hook that inserts and removes horizontally. Available for the Avensis Sedan and Wagon.

Detachable towing hitch (vertical)

The detachable hook inserts/removes vertically into a receiving frame hidden behind the bumper. For the Avensis Sedan and Wagon.

Fixed towing hitch

Great strength and durability for a regular towing need. Suitable for both the Avensis Sedan and Wagon.

Rear bicycle holder

A lightweight high strength steel design for securely carrying two bicycles. It attaches to a Toyota towing hitch and features security locking plus an integral lights and licence plate holder.

Easy Click rear bicycle holder

Lockable, two bike, steel design that tilts for trunk access and folds flat to store when not in use. It can be used with a detachable Toyota towing hitch and comes complete with a lights and licence plate holder.

Effortless technologies

From multi-media and security to hands-free systems and parking aids; Toyota technology accessories add to the richness of life with your Avensis. There are choices to guide, to communicate and to entertain.

This is technology as it should be. Every button and display is designed to be user friendly. Every function satisfies a need and desire.

Navigation

See more, hear more, know more with Toyota navigation. Depending which Avensis model you drive, there's an accessory choice to establish your car with a multi-dimensional multi-media technology hub.

For cars already fitted with Toyota Touch audio, you can add navigation with either the Toyota Touch & Go or Toyota Touch & Go Plus upgrades. Alternatively, if you don't have audio or navigation, the Toyota TNS350 multi-media system combines everything in one.

Toyota Touch & Go and Touch & Go Plus

If your Avensis is fitted with Toyota Touch audio, but doesn't have navigation, you can enhance your system to include fully featured navigation with either Toyota Touch & Go or Toyota Touch & Go Plus. Both upgrades integrate with the existing Touch audio functionality while adding full map pan-European navigation and a host of travel features.

With the Toyota Touch & Go upgrade, the features include touch-screen and click and slide navigation operation, split-screen navigation/audio information, a places of interest database and a choice of languages for the directions.

Toyota Touch & Go Plus gives you everything that Touch & Go has, plus extra features such as advanced voice recognition, 3D city models and a traffic patterns database for intelligent routing.

Take a look at the features chart on page 26 for full details.

TNS350 multi-media navigation

Route planning is easy with the TNS350. You can start with a post code** and address, a town, a map reference, pick from your favourite and recent destinations menu, or choose from a places of interest directory. The system then calculates a choice of routes for you.

**UK only.

Fingertip controls

Simply touch your finger to the TNS350 screen and slide it over the surface to scroll maps or search menus. With a menu, a gentle touch on your choice will access the information or reveal the next search level.

Play your iPod®

You can connect your iPod® via its USB cable and then operate it with the TNS350's touch-screen controls. Even the album art is displayed. When navigation is active, iPod® information appears in a split screen alongside the map.

View video and photographs

TNS350's 5.8" screen is great for imagery. You can view video from your iPod® (via an optional cable) and watch slide shows from your digital camera's SD card. Picture viewer also enables you to personalise the opening screen.

Hands-free Bluetooth®

TNS350 supports Bluetooth® communications and audio playback. Your phone's controls can be touch-screen operated, there's an integral pick-up microphone, and incoming calls feed through the car's speakers.

*Contact your Toyota retailer for details of phone compatibility.

(1) Depending on server availability. (2) Enhanced TMC is available in UK, FR, BE, LU.

Bluetooth® is a trademark of Bluetooth SIG Inc. iPod® is a trademark of Apple Inc, registered in the US and other countries.

DAB

Radio stations throughout Europe are increasingly switching to the exceptional clarity of digital audio broadcasting (DAB). The Toyota DAB upgrade integrates with your car's Toyota multi-media navigation or audio system to enable DAB reception wherever it is available.

HomeLink

No more hand-held devices! HomeLink enables you to operate up to three home automation systems such as garage doors, drive gates and security lighting from a control permanently mounted inside your car.

Bluetooth® hands-free system*

The perfect accessory if your Avensis isn't enabled for Bluetooth® communications as standard or fitted with Toyota navigation. Steering wheel controls combine with voice recognition commands to make the system very easy to use. It will also play music stored on your phone through the car's speakers.

*Contact your Toyota retailer for details of phone compatibility.

Parking systems

Responsive steering and excellent manoeuvrability make the Avensis easy to reverse and park. Even so, when space is at a premium, you'll find the guidance given by Toyota parking systems a big help in avoiding accidental scrapes.

The Toyota parking aid features ultrasonic sensors linked to in-cabin alarms that grow louder the closer you get to obstacles. Depending which Avensis model you drive, you can have sensors in the front, rear or front and rear bumpers. Importantly, the front and rear alarms have different tones and can be switched off when not required.

Toyota parking assist, with its rear view camera, can be used independently or in combination with the parking aid sensor system.

Parking aid sensors

The ultrasonic sensors are colour coded to your car's bumpers.

Parking assist rear camera

Robust yet discreet. The camera shows anything in your way.

Parking assist navigation viewing

You can view camera images in your Toyota navigation screen.

Parking assist rear mirror viewing

Camera images show on a screen in the rear view mirror.

Cancellation switches
You can switch off the parking aid sensor alarms when not required.

Vehicle security

It's comforting to have a car as safe as the Avensis. Toyota's vehicle security system increases that peace of mind by providing an extra layer of protection when your car is parked.

The system has a powerful alarm to complement the Avensis' pre-fitted immobiliser. An optional incline sensor is also available to warn of attempted wheel theft and towing.

Personal space

Premium quality. Refined finishes. Superior materials. Every aspect of the Avensis interior has been designed to enhance your driving pleasure. Toyota accessories add even more to the experience.

With accessory choices for extra luxury, comfort, convenience and practicality you can create a personal space that's individually tailored especially for you.

Toyota leather interiors

The ultimate in Avensis luxury is a Toyota leather interior. Style, comfort and practicality all combine in a presentation that's as good to look at as it is to sit in. The design includes seats and door panels and is fully compliant with airbag operation.

Front seat heaters

Comfortably warms your front seats on those extra cold mornings.

Versatility

The Avensis gives you plenty of easily accessible trunk space. Toyota accessories help you use it to maximum advantage for business and pleasure, work and play.

Moving load floor

Glides along the Wagon's trunk floor rails to help you move heavy loads into the trunk space.

Cargo manager

Clips into the wagon's trunk floor rails to increase your load carrying versatility.

Trunk liner

Made of durable black rubber with a non-slip surface and raised outer edge.

Trunk organiser bag

Convenient storage for holding travel essentials such as bottles and shoes.

Cargo liner

Made of thick rubber with a high edge to contain mud, water and spilled liquids.

Practical

People have different interests and different ways of doing things. Toyota accessories respect that individuality by creating extra layers of practicality for all sorts of uses.

Cargo net – horizontal

Clips onto hooks in the trunk and is ideal for securing a briefcase or bag.

Cargo net – vertical

Attaches to the trunk sides to help you keep smaller possessions tidy.

Sun blinds

The opaque finish increases privacy and hot weather comfort. Shaped to fit the back and rear side windows of the Avenir Wagon and Sedan.

Dog guard

Creates a secure travel space for your dog. An optional divider splits the space so you can carry a dog and luggage or two dogs.

Velour floor mats

Combining a luxurious soft-touch feel with tough carpet protection. Available in anthracite colour and standard or luxury grades.

Rubber floor mats

The ultimate protection against mud, dirt and rain. Custom shaped for the Avensis.

Needle-felt floor mats

Hard wearing textile mats in an anthracite colour. Designed especially for the Avensis.

Reversible floor mat

The convenience of luxurious velour on one side and waterproof rubber on the other.

Reassuring

The range of Toyota child restraint seats gives you individual options for each age group. Nothing is left to chance. The fixings are secure, the fabrics robust and the designs offer both safety and comfort.

Baby-Safe Plus restraint seat

Comfort and protection for babies from birth up to around 9 months (up to 13 kg).

Duo Plus ISOfix restraint seat

For children between 9 months and 4 years
(approximately 9 to 18 kg).

Kid restraint seat

Height adjustable for children between 4 and 12
years (approximately 15 to 36 kg). Available with
either ISOfix or seatbelt fixings.

Toyota stickerfix™

The simple solution to minor paintwork damage

TOYOTA

Caring
