

Auris Accessories

Reassuring. Energising. Individual. Toyota Auris: choices are rarely this rewarding. It's not just a car, more a way of life. So too with genuine Toyota accessories. They create freedom to personalise your Auris with extra dimensions of style, practicality or technical innovation.

Toyota accessory packs extend the concept even further. The special chrome, utility and sports packs combine a compelling selection of related Toyota accessories. Each pack offers an easy, great value way of tailoring your car to the way you like things to be.

Accessory packs

Toyota accessory packs are designed for individuality, convenience and value. More style, added functionality or that sporty look of power and performance? Whichever your preference, each item in every pack is co-ordinated to make your choice effortlessly satisfying.

Chrome pack

Real style is in the detail. It's applying those extra touches to something already beautiful and making it truly extraordinary. That's the Auris chrome pack. It combines well-chosen highlights to give your car a very special look.

01 Rear chrome garnish

An eye-catching detail for the Auris' rear.

02 Scuff plates

Stylish practical protection for door sill paintwork.

03 Exhaust pipe finisher

Durable chrome finish to emphasise the exhaust.

Utility pack

The concept is custom designed practicality. Added protection against scratches and scrapes. On guard against mud and grime. No matter where life takes you, you can trust the utility pack to care for your Auris.

01 & 02 Bumper corner protectors

Front and rear protection against scuffs and scratching.

03 Trunk liner

Tough black rubber with a raised edge and anti-slip surface. Available for cars with a space saver or standard spare tyre.

04 Rubber floor mats

The ultimate carpet protection against all things dirty.

Accessory sports packs

Sports pack 1

Inside and out, the sports inspired style is unmistakable. Alloy pedals for that mark of the rally track. Distinctive 16" alloy wheels. A front mask and aerodynamic roof spoiler. The look is power and performance.

01 Front mask

Adds a rugged sports appeal to the grille scoop.

02 Roof spoiler

Complements the Auris' streamlined efficiency.

03 Alloy pedals

Gives the foot well a distinctive sporty appearance.

04 Podium 16" alloy wheel

Big, powerful and instantly noticeable.

02

Sports pack 2

With its dynamic contours, the Auris turns heads wherever it goes. Sports pack 2 builds on the appeal. The pack's body-styling front, side and rear skirts give your car the appearance of race-prepared energy.

01 Rear skirt

Purposeful rear-end styling for cars with a single exhaust pipe.

02 Side skirts

A dynamic, streamlined, low profile appearance.

03 Front skirt

Sports influenced aerodynamic design.

Integrated technologies

Toyota integrated technology accessories give every journey a special magic. There's navigation to guide you. Hands-free telephony for safe communications. Music and entertainment to lift the spirit and stir the soul. Toyota technology reflects life and all the important patterns that weave their way through it.

Importantly, with Toyota technology every button and display is designed to be user friendly. Each function has been conceived to satisfy a need.

Connections

Life today is about staying connected. It's having navigation to guide you smoothly and effortlessly. A hands-free mobile phone kit so you can talk safely while driving. And input capabilities for personal technology integration. Toyota brings everything together and makes your car a mobile media centre.

- 01 TNS410 travel kit**
Everything you need for using your TNS410 in another car.
- 02 iPod connection cable**
Connects your iPod to a Toyota multi-media navigation system.

TNS410 detachable navigation

Great navigation, comprehensive multi-media functionality and easy operation. Plus the flexibility to detach the navigation section for use in and out of your car.

- Touch screen controls and voice activated destination input.
- Full map coverage of either West or East Europe.
- Multi-language choices.
- In-car multi-media including an MP3/WMA CD player, DVD, AM/FM radio, iPod video compatibility and both AUX and USB terminals.
- Bluetooth® technology for mobile phone integration and data links.
- Rear view camera compatibility.

01

02

TNS510 multi-media navigation

Setting new standards for in-car multi-media navigation systems. Innovative technologies make the TNS510 clearer, faster and more intelligent than ever before.

- 5.8" screen with colour graphics and touch screen controls.
- Full map coverage for West Europe, East Europe or Russia.
- Navigation instructions in 10 different languages.
- Multi-media including MP3/WMA CD player, DAB ready audio, AUX socket, USB slot and optional iPod compatibility.
- Bluetooth® technology enabling mobile phone integration and music playback.
- Rear view camera compatibility.

Bluetooth® complementary kit*

Added convenience for Bluetooth® phone users. The kit includes an external antenna and a cable-less cradle to secure your phone and charge the battery. It complements all Toyota pre-fitted and accessory Bluetooth® enabling technologies including the Bluetooth® hands-free system.

Bluetooth® hands-free system

The Bluetooth® hands-free phone* system is ideal if your Auris isn't enabled for Bluetooth® communications as standard.

An illuminated control pad combines with voice recognition commands such as voice dialling to make the system very easy to use. The Bluetooth® hands-free phone* system also plays music stored on your phone through the car's speakers.

USB integration kit

USB, iPod and iPhone socket if your car isn't fitted with one as standard.

*Contact your Toyota retailer for details of phone compatibility

Inspirational

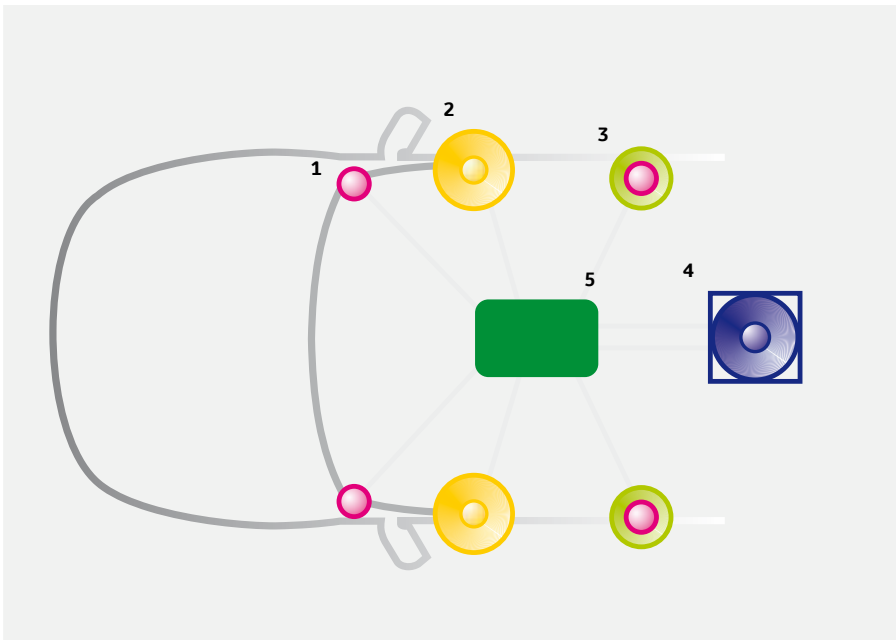

The Auris has a passion that makes every journey special. Toyota audio accessories inspire even more of a sensation. There's the JBL premium sound system, a DAB upgrade for your radio and an audio unit packed with features.

Each accessory has been designed uniquely for Toyota. Individually or all together they convey the sounds of a club or a concert, a debating chamber or a theatre with true to life clarity.

JBL premium sound system

Custom designed to link with and enhance your car's audio. Features include a 440 Watt DSP amplifier, front tweeters and woofers, rear coaxial speakers and a 100 watt rear subwoofer. The result is an acoustic performance equal to top quality home systems.

1. Titanium dome tweeter.
2. 16cm woofer.
3. 10 cm co-axial speakers.
4. 110 Watt sub-woofer.
5. DSP (Digital Signal Processing) amplifier.

TAS200 audio

The ideal multi-dimensional unit if your Auris isn't fitted with audio as standard.

Ease of use is assured by a multi-jog selector combined with an advanced OLED display providing strong contrast, high brightness and quick response. Features include an AM/FM radio, MP3/WMA/AAC compatible CD player, front AUX and USB/iPod sockets, DAB readiness and three DSP modes for sound equalisation.

Steering wheel controls are also available for some Auris models.

DAB

The rich sounds and exceptional clarity of DAB (Digital Audio Broadcasting) are now available in many countries throughout Europe. Toyota's DAB accessory enhances your car's multi-media navigation system or standard radio so you can listen to DAB in its full glory.

Entertainment

Travel takes on a new dimension with the Toyota modular in-car entertainment system. Journeys will fly by for rear seat passengers as they watch a DVD, play on a connected games console or review video recordings and photographs. With the comfort and quiet of the Auris' interior, your passengers can watch, listen or play to their hearts' content.

Conveniently, the system is easy to move between cars. Similarly, the screen unit can be swapped from one seat to another and the screen height will adjust for adult or child viewing.

01

01 Clear viewing

Film and graphic imagery reproduce superbly on the system's 7" screen.

02 Headphones

The infra-red headphones automatically switch off to preserve battery life when no signal is received.

03 Remote control

Passengers can operate the entertainment system without adjusting their seatbelts.

Modular in-car entertainment system

Features include:

- All-in-one DVD player with CD and MP3 compatibility.
- Compatible with most popular makes of games consoles.
- Removable, adjustable screen unit.
- 7" screen.
- Infra-red headphones.
- Remote control.
- USB slot for accessing media straight from a memory stick.

02

03

Security

With today's crowded urban centres it's comforting to drive a car that's as safe and secure as the Auris. Toyota accessories extend that reassurance and give you even greater peace of mind.

HomeLink® enables you to operate your home security systems without having to step out of your car. And, when you do leave your car parked, the Toyota vehicle security system provides a tough extra layer of protection.

HomeLink®

Operates up to three home automation systems such as garage doors, drive gates and security lighting from inside your car. The control unit is available in black or grey.

Vehicle security system

A powerful alarm to complement the Auris' pre-fitted immobiliser. An optional incline sensor warns of attempted wheel theft and towing.

Guiding

Busy roads. Crowded car parks. Space is at a premium. Even with the manoeuvrability of the Auris, you'll find Toyota parking systems a big help in avoiding accidental scuffs and scrapes.

The Toyota parking aid has ultrasonic sensors that link with in-cabin alarms which give a progressively louder warning the closer you get to an obstacle. Depending on the original specification of your Auris, you can add sensors to the front, rear or front and rear bumpers. Conveniently, the front and rear alarms have different sounds for ease of identification.

Toyota parking assist, with its rear view camera, can be used independently or in combination with the parking aid sensor system.

Parking assist

The parking assist camera makes reversing even easier by showing what's happening behind. The images can be seen either on a special rear view mirror or through the screen of your Toyota multi-media navigation system.

02

01 Parking aid system sensors

The ultrasonic sensors are coloured to match your car's bumper.

02 Parking assist rear camera.

Robust yet discreet. The camera shows anything in your way.

03 Parking assist navigation viewing

You can view rear camera images in your Toyota navigation screen.

04 Parking assist rear mirror

An integral monitor on the mirror displays rear camera imagery.

03

04

Compelling originality

Three or five doors. The look is purposeful and primed for action. Auris simply exudes quality and character. Toyota accessories add to the compelling sense of originality.

The accessory choices are many and varied. From alloy wheels and touches of style, to protection, roof racks and carrying attachments. Each has been conceived especially for your Auris. Installation is easy, the integration perfect and the performance as assured as your car itself.

Whatever the journey. Long or short. Toyota accessories make it an occasion to be savoured.

Style

Toyota alloy wheels make a bold statement about how you like to express yourself. The choices range from sporty and dynamic through to urban sophistication. With so much on offer you can be truly creative.

Lowering springs increase the effect even further by giving your Auris a distinctive low-slung appeal.

Turbine 16"

01 Winter rim wheels

Especially for use with winter tyres.

02 Wheels locks

The rounded profile and coded key help protect your valuable alloys.

03 Lowering springs

Engineered to complement the Auris' shock absorbers.

01

02

03

01 Chrome garnish

Chrome finish bezels to emphasise your fog lights.

02 Fog lamps

Great style with added safety for driving in bad weather.

03 Silencer

Great looks with a sporty deep bass growl.

Rear skirt

Robust aerodynamic design shaped to fit a dual exhaust pipe system.

04 Headlamp covers

Clear acrylic to guard against stone-chip damage.

05 Side mouldings

Protection against minor door panel damage. Available for three and five door models.

06 Wind deflectors

Cuts wind noise and turbulence when driving with the windows open.

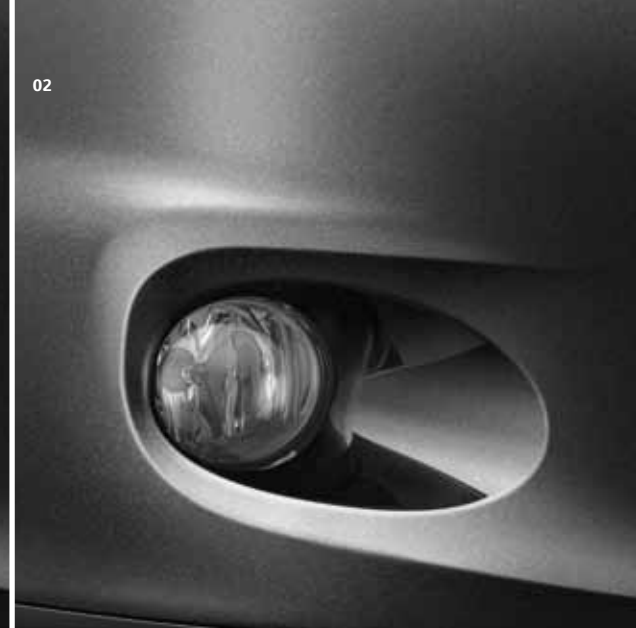

07 Hood deflector

Aerodynamically designed to deflect mud and spray away from the windshield.

01

02

03

Co-ordinated

The defining feature of Toyota accessories is that their design complements both form and function.

Nothing is ever considered in isolation. The range includes practicalities such as fog lamps and side panel protection as well as style features including a chrome garnish, rear skirt and silencer. Each accessory combines to enhance and co-ordinate with your Auris.

Protective

Taking just a little care at the beginning can make a big difference through the life of your car. Toyota accessories provide a reassuringly dependable extra layer of protection. Each accessory is designed to help keep your Auris looking as good as new.

01 & 02 Mud flaps

Shaped to fit your car's wheel arches. Available for the front and rear.

03 Door handle film

Clear adhesive film to guard against scratches.

04 Bumper protection film

Clear adhesive film to shield bumper paintwork on loading surface.

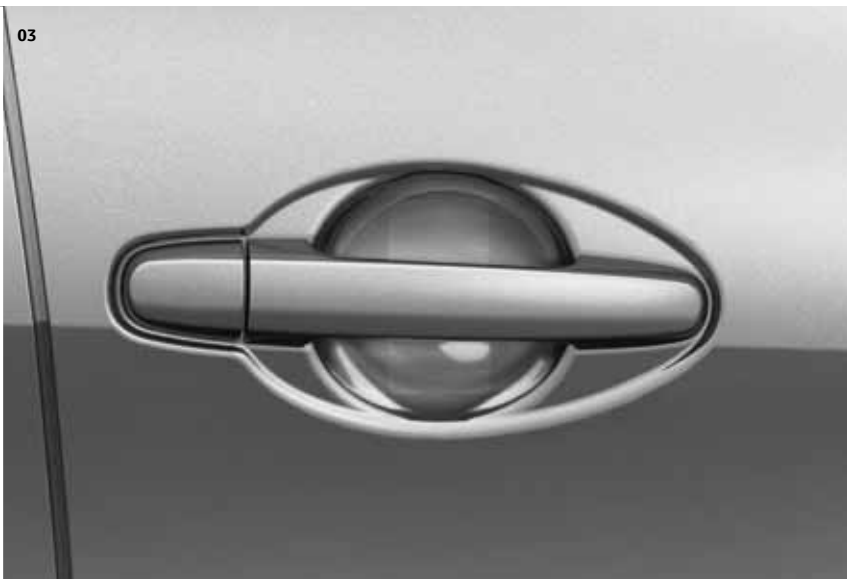

01

02

03

04

Adventurous

The world is a playground full of untold adventures. With a Toyota roof rack and your choice of special attachments you can take leisure to the extreme. Made of strong yet lightweight aluminium, the roof rack is easy to install and has integral locking for maximum security.

01 & 02 Roof rack

Strong, lightweight, aluminium, removable design with security locking. Available for three and five door cars.

03 & 06 Ski and snowboard holders

Lockable design for skis and snowboards. Available in small, medium and large sizes including the large luxury holder with its extendable carrier for easy loading and unloading.

01

04

02

05

03

06

04 & 05 Luggage box

The aerodynamic design conceals a big carrying capacity. Features include central locking and passenger side opening. Available in standard and luxury versions.

07 - 09 Ski box

Holds all your ski accessories. Featuring passenger side opening and central locking. Available in standard, medium and extra large luxury versions.

10 Surfboard and mast holder

Custom designed for the awkward shape of a surfboard or wind-surfboard and mast.

11 Boat holder

Lockable design with adjustable straps for a kayak type boat.

12 Luxury kayak holder

Shaped to secure a kayak type boat on its side. Fully lockable.

07

10

08

11

09

12

01 Standard bicycle holder

Lockable design with a quick lock and release system for easy loading and unloading.

02 Medium bicycle holder

Featuring a tough anti-theft system and moulded profiles to grip the bicycle wheels. Fits on either side of the roof.

03 Luxury bicycle holder

Lightweight, lockable aluminium with wheel and frame grips. Conveniently, the frame grip can be adjusted at roof height. Fits on either side of the roof.

01

02

03

Powerful

The power and strength of the Auris is an open invitation to fit a towing hitch and expand your car's leisure potential. How about for towing a jet-ski, trailer or small caravan? Or perhaps to attach a rear bicycle holder so you can stretch your legs when you arrive?

Rear bicycle holder

Lightweight high strength design for securely carrying two bicycles. The holder attaches to a Toyota towing hitch and features an integral lights and licence plate holder plus security locking.

01 Fixed towing hitch

Strength and durability for day-to-day towing. Gives a towing capacity of up to 1500 kg. Available with an optional wiring kit.

02 Detachable towing hitch

High strength towing with the convenience of a removable hook. Towing capacity up to 1500 kg. Available with an optional wiring kit.

Personal space

A close-up, high-angle photograph of a car's interior, focusing on the center console and gear shift area. The image is in black and white, with a soft, diffused light source creating a sense of depth and texture. The gear shift knob is visible in the foreground, and the surrounding plastic and leather-like surfaces are detailed. The overall mood is clean, modern, and sophisticated.

Journeys should be remembered for all the right reasons. Comfort so you arrive feeling as relaxed as when you left. Room to stretch and luxuriate. Peace to listen, to talk and enjoy each other's company. You can with the Auris. You can even more with Toyota accessories.

Toyota accessories personalise the Auris experience. Each accessory has been carefully designed with finesse and practicality to make the Auris' interior your very own personal space.

Leather interior

For luxury, there's nothing to compare with the style, comfort and practicality of a Toyota leather interior. Each interior is made of the finest leather and comes in a choice of colours so you can really make a statement about personal taste. Reassuringly, Toyota leather interiors are fully airbag compliant.

Luxury

To drive or be a passenger in the Auris is to experience the true meaning of quality time. Soft-touch surfaces. An ergonomic layout. Every detail combines to create a stylish, tailored experience.

Yet there's more; a lot more. Accessories such as a leather interior and front seat heating add an expression of pure luxury. With Toyota accessories you make every moment a time to be enjoyed.

01 & 02 Shift knobs

Express your individuality with either a traditional luxury or a contemporary sporty design.

03 Storage shelf

Added convenience for carrying those everyday essentials.

04 Front seat heater

Comfortable warmth for when the weather is really cold.

Individual

Toyota accessories are especially designed to reflect the different ways people like to live with their car. There are floor mats to protect against the ins and outs of a busy life. A dog guard to give your pet its own personal

space. And cargo nets so you can keep your trunk neat and tidy. Each accessory addresses an individual need to give your Auris that extra dimension of practicality.

02

03

01

04

06

01, 02, 04 & 05 Velour floor mats

Available in standard or luxury weights and in either anthracite or beige colours.

03 Needle-felt floor mats

Hard wearing textile mats in a complementary anthracite colour.

06 Footwell illumination

Convenient, practical and stylish. The three door version illuminates the front. The five door version illuminates the front and rear.

07 Vertical cargo net

Ideal for keeping smaller items neatly in place.

08 Horizontal cargo net

Clips onto hooks in the trunk to stop bags and luggage sliding.

09 Dog guard

Prevents your pet jumping from the trunk into the passenger area.

10 Cool box

Plugs into your car's 12V accessory socket to keep refreshments hot or chilled.

Comfort

Sometimes the sun can be uncomfortably hot. Perhaps on long journeys, sitting in slow moving traffic or if your car is parked. On these occasions it's good to find some shade. And that's the very reason for Toyota sun blinds.

Toyota sun blinds come in a tasteful black colour and are custom made for the size and shape of the Auris' windows.

The blinds have an opaque anti-glare finish on the outer surface only. This shields the inside of your car against the sun and the prying eyes of passing strangers, while still enabling you to see through them and look outside.

01

02

03

04

01 Sun blinds – back

Especially designed for the back window of Auris cars fitted with a sports roof spoiler. Suitable for three and five door Auris models.

02 Sun blinds – back

Exactly the right size for the Auris' back window. Suitable for three and five door Auris models.

03 & 04 Sun blinds – rear side

Shaped to fit the Auris' rear side windows. Available in individually designed sets for three and five door Auris models.

Reassuring

The Auris has lots of space for children. But youngsters come in all shapes and sizes and so keeping them safe needs careful thought. Be assured, with Toyota child restraint seats you have individually designed options for each age group.

01

Baby-Safe Plus restraint seat
Comfort and protection for babies from birth up to around 9 months (up to 13 kg).

02

Duo Plus ISO fix restraint seat
For children between 9 months and 4 years (approximately 9 to 18 kg).

03

Kid restraint seat
Height adjustable for children between 4 and 12 years (approximately 15 to 36 kg).

01 Baby-Safe Plus restraint seat

Features an integral retractable canopy to protect young skin against the sun and wind.

02 Duo Plus ISO fix restraint seat

For maximum safety, the seat locks into the rear ISO fix bars to anchor directly to the car body and also has a top tether to prevent forward tipping. Deep padded wings increase side impact protection.

03 Kid restraint seat

The seat has a booster cushion and an adjustable head rest to add flexibility for a growing child.

Caring

Sometimes it's the little things in life that make a big difference. Extra filtration to keep the cabin air clean. Being prepared for the unexpected. Auris accessories consider the details of helping care for you and your car.

01 Fire extinguisher, warning triangle, first aid kit

Essential preparation for the unexpected.

02 Reflecting jacket

See and be seen is a golden rule of personal safety.

03 Touch-up paint

Available in stick and aerosol for those little scratches.

04 Spare light bulb kit

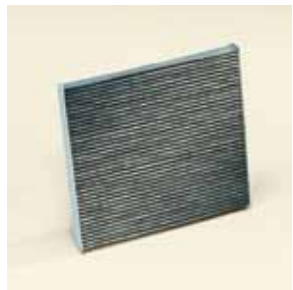

Be sure, be safe, with a complete set of replacement bulbs.

05 Replacement battery

A perfect fit for your Auris.

06 Car care systems

Glass cleaner, upholstery cleaner, leather cleaner, windscreen washer fluid.

Cabin air filter

Helps prevent pollen, dust, odours and fumes entering the cabin.
