Touches of style

The iQ exudes personality. Its look is fresh and inspirational. With Toyota style accessories you build on the appeal and make even more of a statement about how you like things to be.

What is so important about Toyota accessories is that they have been designed by Toyota especially for Toyota cars. Installation is easy. Integration is perfect. Every last detail has been considered to produce a co-ordinated yet highly individual appearance.

Dynamic

iQ; it's an ingenious design with intriguing good looks. Yet there's also flexibility. iQ accessories offer additional features to give your car that extra visual edge. The exclusive roof spoiler blends seamlessly to complement the iQ's smooth streamlined shape. Then there are details to extend the concept. Chrome side sills and a chromed exhaust pipe finisher enhance the look of city power and style.

01 Roof spoiler

Purpose designed for aerodynamic integration.

02 Side sills

That dash of chrome to highlight the door contours.

03 Exhaust pipe finisher

Eye-catching triangular shape in a durable chrome finish (applicable to 1.0 VVT-i & 1.4 D-4D now and to 1.3i VVT-i in October 2009).

04 Mirror cover

A striking feature with a stylish chrome design.

05 Fog lamp contour

Chrome finished bezels to accentuate your fog lamps.

01 Winter rim

Especially for use with winter tyres.

02 Lowering springs

Engineered to complement the iQ's shock absorbers.

03 Wheel locks

The rounded profile and coded key help protect your valuable alloys.

03

Individual

Looking good. Having style. It's part of city thinking. Taking care. Being individual. Well, that's pure Toyota. From a rear skirt or a trunk garnish to help with parking, Toyota accessories enhance and protect your iQ's appeal.

01 Rear skirt

A unique iQ aerodynamic design (exhaust pipe finisher applicable to 1.0 VVT-i and 1.4 D-4D now and to 1.3i VVT-i in October 2009).

02 Rear lower truck garnish

For that eye-catching chrome detail.

03 Toyota parking aid system

When reversing, the system's rear sensors link to an in-cabin alarm that grows louder the closer you get to an obstacle.

04 Parking assist viewing on TNS510 navigation system

Real-time images from the rear view camera can be seen on the screen of the optional TNS510 navigation.

05 Parking assist rear camera

With its rear view camera, parking assist can be used only in combination with a Toyota navigation system.

06 Toyota parking aid sensors

The four rear sensors are colour matched to your iQ's bumper.

07 Door handle protection film

Guards against day to day scratching.

Special

iQ accessories reflect the reality of urban life. Wind deflectors help make that life special for you. They create freedom to enjoy the fresh air sensation of open windows without the hassle of excessive wind movement and noise. For your iQ, there are side mouldings to protect against accidental damage and mud flaps to divert spray and stone chips.

**01 Wind deflectors**

Flawlessly matched to the iQ's aerodynamic contours.

02 & 03 Mud flaps

A perfect fit for the iQ's front and rear wheel arches.

04 Side mouldings

Effective protection against door panel damage.

Your private space

The iQ's startlingly spacious interior was conceived with style and ingenuity. The definition is superior quality through and through. Yet there's more. With Toyota accessories you can develop the space so that it becomes incredibly personal. Leather upholstery? Foot-well illumination? You can even purify the air itself.

Sometimes everyone needs a little privacy amid the buzz of the city. With the iQ and Toyota accessories you can create a special place to call your own.

Luxury

A Toyota leather interior for your iQ is surely the ultimate in urban chic. Luxury, style, comfort and practicality come together in a presentation that's as good to look at as it is to sit in.

08

01 Leather interior

Top quality leather seats and door panels in a design compatible with side air bag operation.

02 Rubber floor mats

Really tough protection against mud and water.

03 & 06 Reversible trunk mat

Luxurious velour on one side and tough waterproof rubber on the other. The mat neatly folds around a raised seat while protecting the rest of the rear floor.

04 Glove bag

Stylish and practical, the glove bag is perfect for neatly storing small items.

05 Vertical cargo net

Securely holds small items in the boot.

07 Textile floor mats

Choose from a range of luxurious velour or needle-felt mats to match your car's interior (needle-felt available for LHD vehicles only).

08 Smart entry key cover

An eye-catching design to complement the sporty character of the iQ. Available in a range of colours to match your car.

Safe

Peace of mind is knowing that your younger passengers can travel in safety and comfort with the Toyota range of child restraint seats. Each seat is purpose designed for the special needs of particular age groups.

01

02

03

01 Babysafe Plus restraint seat

Comfort and protection for babies from birth up to around 9 months (up to 1.3 kg). An integral retractable canopy provides protection against the sun and wind.

02 Duo Plus ISO fix restraint seat

For children of between 9 months and 4 years (approximately 9 to 18 kg). For maximum safety, the seat locks into the rear ISO fix bars to anchor directly to the car body and also has a top tether to prevent forward tipping. Deep padded wings increase side impact protection.

03 Kid restraint seat

Height adjustable for children between 4 and 12 years (approximately 15 to 36 kg). A booster seat and adjustable head rest add flexibility for a growing child.

Technical innovations

Some say the list of iQ design innovations is probably longer than the car itself. Add Toyota iQ hi-tech accessories and the list has a whole new chapter. But this is not technology for technology's sake. This is technology with a purpose. Every button and display is designed to be user friendly. Every function has been conceived to satisfy a need.

The intelligent technology in iQ accessories is second nature to Toyota. City driving has a satisfying extra dimension because of it.

Relevant

The technology in iQ accessories always has meaning and relevance. You carry a mobile, so surely you'll want a hands-free kit for your car. You love music; what could be better than indulging your tastes with the extraordinary JBL sound system. And then of course there's navigation. Getting anywhere is so much easier with the innovative TNS510 to guide you.

01 Bluetooth® hands-free system*

Ideal if your iQ is not already enabled for Bluetooth® communications. An illuminated dashboard control pad and voice recognition commands epitomise ease of use. The system also enables music stored on your phone to be played through the iQ's speakers.

02 Bluetooth® complementary kit
Added convenience for cars with Bluetooth® streaming via the optional TNS510 navigation system. The kit includes a discreet external antenna and a cable-less cradle to secure your phone and charge its battery.

03 HomeLink

Operates up to three home automation systems such as garage doors, drive gates and security lighting from inside your car. Available in 3 colours.

04 Vehicle security system

A powerful alarm to complement your iQ's pre-fitted immobiliser. Includes an inclination sensor to warn of attempted alloy wheel theft and towing.

05 iPod® connection cable

Connects your iPod via the optional TNS510 navigation so you can play your music through the iQ's speakers.

06 DAB

Enhances the optional TNS510 navigation to receive digital audio radio broadcasts.

07 JBL premium sound system

Optimises your iQ audio for a breathtaking acoustic performance.

08 TNS510 navigation

Comprehensive guidance for the entire European mapped road network.

*Contact your Toyota Retailer for details of phone compatibility.

JBL premium sound

Custom designed to integrate with and enhance your iQ's audio. The JBL premium sound system maximises listening quality whether the source is on disc, stored on a personal music player or coming from your car's radio. Features include a 330 watt DSP amplifier, front tweeters and speakers, and co-axial speakers in the rear. The combined effect produces exceptional spatial clarity comparable to top quality home audio systems.

08

TNS510 navigation system

More than route guidance, the TNS510 is a fully integrated navigation and multi-media centre. Touch screen controls on a 5.8" screen make it incredibly easy to use.

For navigation, the directions are provided in full map colour graphics synchronised with clear voice commands. You get fast route calculations, a destinations memory and Dynamic Route Guidance** to help avoid traffic problems.

Multi-media features include an integral radio, WMA/MP3/CDX compatible CD player, Bluetooth® streaming and comprehensive connectivity including an AUX socket and USB slot. Full iPod integration with your TNS510 is available with the addition of the iPod® connection cable.

**Dynamic Route Guidance depends on the availability of Traffic Message Channel radio broadcasts.

For you and your car

Sometimes it's the little things in city life that make a big difference. iQ accessories consider the details of helping care for you and your car.

01 Fire extinguisher, warning triangle, first aid kit

Essential preparation for the unexpected.

02 Reflecting jacket

See and be seen is a golden rule of personal safety.

03 Touch-up paint

Available in stick and aerosol for those little scratches.

04 Spare light bulb kit

Be sure, be safe with a complete set of replacement bulbs.

05 Replacement battery

A perfect fit for your iQ.

06 Car care systems

Glass cleaner, upholstery cleaner, leather cleaner, windscreen washer fluid.
